28. The Scrutinizer shall after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than forty eight hours of the conclusion of the General Meeting, a consolidated scrutinizer's report of the total votes cast in favor or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.

29. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company <http://www.polsonltd.com>, notice board of the Company at the registered office as well as the corporate office and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the stock exchanges at which the shares of the Company are listed.

➤ **THE INSTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:**

- (i) The voting period begins on Tuesday, September 26, 2023 from 9.00 A.M. and ends on Thursday, September 28, 2023 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, September 22, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

The Board is of the opinion that these transactions are based on business requirements and are necessary for the smooth and efficient functioning of your Company. Further, all related party transactions of the Company are at arms-length and in the ordinary course of business as required under relevant regulations. The Company has implemented a policy on Related Party Transactions, and it undertakes related party transactions in accordance with such policy. The Board of Directors recommend the resolution set out in item no.3 of this notice for your approval as a special resolution.

Except Promoters, Mr. Amol Kapadia and his relatives none of the Directors, Key Managerial Person of the company or their relatives are concerned or interested financially or otherwise in the aforesaid special resolution.

#### Item No. 4

Mr. Rajiv Ghanshyamdas Agarwal (DIN: 00518199) is currently an Independent Director of the Company and Chairperson of the Audit Committee.

Mr. Rajiv Agarwal was appointed as an Independent Director of the Company by the Members at the 77<sup>th</sup> Annual General Meeting of the Company held on September 24, 2018 for a period of 5 (five) consecutive years w.e.f. August 14, 2018 and is eligible for re-appointment for a second term on the Board of the Company.

Based on the recommendation of the Nomination & Remuneration Committee ('NRC'), the Board of Directors at its meeting held on August 14, 2023, proposed the appointment of Mr. Rajiv Agarwal as an Additional Director in the category of Independent Director of the Company for a second term of 5 (five) consecutive years w.e.f. August 14, 2023, not liable to retire by rotation, for the approval of the Members by way of a Special Resolution.

Mr. Rajiv Agarwal is a Commerce Graduate. He has done his MMS (Finance and Marketing) from SPJIMR, and his PhD in Family Business from BITS Pilani. He has also done the Owner/President Management Program (OPM) at Harvard Business School and Fast Growth Program at Stanford Graduate School of Business. He is serving on the Boards of reputed companies, including being Chairperson of the Audit Committee. The NRC taking into consideration the skills, expertise and competencies required for the Board in the context of the business and sectors of the Company and based on the performance evaluation, concluded and recommended to the Board that Mr. Rajiv Agarwal's qualifications and the rich experience of over the years in the abovementioned areas meets the skills and capabilities required for the role of Independent Director of the Company. The Board is of the opinion that Mr. Rajiv Agarwal continues to possess the identified core skills, expertise and competencies fundamental for effective functioning in his role as an Independent Director of the Company and his continued association would be of immense benefit to the Company. The Company has in terms of Section 160(1) of the Companies Act, 2013 ('the Act') received a notice from a Member proposing his candidature for the office of Director. The Company has received a declaration from Mr. Rajiv Agarwal confirming that he continues to meet the criteria of independence as prescribed under Section 149(6) of the Act, read with the rules framed thereunder and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'). In terms of Regulation 25(8) of the SEBI Listing

Regulations, Mr. Rajiv Agarwal has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties. Mr. Rajiv Agarwal has also confirmed that he is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority pursuant to circulars dated June 20, 2018 issued by BSE Limited and the National Stock Exchange of India Limited pertaining to enforcement of SEBI Orders regarding appointment of Directors by the listed companies. Further, Mr. Rajiv Agarwal has confirmed that he is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director in terms of Section 152 of the Act, subject to re-appointment by the Members. Mr. Rajiv Agarwal has also confirmed that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs ('IICA'). In the opinion of the Board, Mr. Rajiv Agarwal fulfils the conditions specified in the Act, rules thereunder and the SEBI Listing Regulations for re-appointment as an Independent Director and that he is independent of the Management. The terms and conditions of the appointment of Independent Directors is uploaded on the website of the Company at <https://www.polsonltd.com> and would also be made available for inspection to the Members of the Company upto Friday, September 29, 2023, by sending a request from their registered email address to the Company at [compliance@polsonltd.com](mailto:compliance@polsonltd.com) along with their Name, DP ID & Client ID/Folio No. In compliance with the provisions of Section 149 read with Schedule IV to the Act, Regulation 17 of the SEBI Listing Regulations and other applicable provisions of the Act and SEBI Listing Regulations, the re-appointment of Mr. Rajiv Agarwal as an Independent Director is now placed for the approval of the Members by a Special Resolution.

The Board commends the Special Resolution set out in Item No. 4 of the accompanying Notice for approval of the Members.

None of the Directors or Key Managerial Personnel ('KMP') of the Company or their respective relatives, except Mr. Rajiv Agarwal and her relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the accompanying Notice. Disclosures as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India are annexed to this Notice.

#### 4. INFORMATION ON THE STATE OF COMPANY'S AFFAIR:

The Company achieved a turnover of Rs. 8385.68 lakhs during the current year, as against Rs. 9752.79 lakhs during the previous year. The profit during the year has been Rs. 498.51 lakhs as against Rs. 642.12 during the previous year 2020-21.

The Financial Statements of the Company for the F.Y. 2022-23 have been prepared in accordance with applicable Indian Accounting Standards and the relevant provisions of the Companies Act, 2013 ("the Act"). In accordance with the provisions contained in Section 136 of the Companies Act, 2013, the Annual Report of the Company, containing therein its Notice of the Annual General Meeting, Standalone Financial Statements, Report of the Auditor's and Board of Directors thereon are available on the website of the Company at [www.polsonltd.com](http://www.polsonltd.com). Further, a detailed analysis of Company's performance is included in the Management Discussion and Analysis Report ("MDAR"), which forms part of this Annual report.

In financial year 2022-23 global uncertainties are rife. Barely had the pandemic receded, and the war in Ukraine broke out in February 2022. Prices of food, fuel and fertiliser rose sharply. As inflation rates accelerated, central banks of advanced countries scrambled to respond with monetary policy tightening.

Many developing countries, particularly in the South Asian region, faced severe economic stress as the combination of weaker currencies, higher import prices, the rising cost of living and a stronger dollar, making debt servicing more expensive, proved too much to handle.

In the second half of 2022, there was a respite for governments and households. Commodity prices peaked and then declined. In the near term, the acute pressure was relieved, although prices of some commodities (e.g., crude oil) remain well above their pre-pandemic levels. For countries dependent on imports, priced and payable in dollars, a global slowdown led by the United States (US) offers a triple relief. Commodity prices decline, and US interest rates peak, as does the US dollar. As 2023 rolled in, China opened up rather swiftly, reversing its Zero-Covid policy.

Business Activity:

The Company is engaged only in one segment which is of manufacturing synthetic organic tanning substance.

**5. SHARE CAPITAL:**

During the year under review, there have been no changes in share capital of the Company. ## ANNEXURE 'A': MANAGEMENT DISCUSSION AND ANALYSIS

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The cost-of-living crisis, tightening financial conditions in most regions, Russia's invasion of Ukraine and its effects, climate change and the lingering COVID-19 pandemic all weigh heavily on the outlook. IMF forecasts global growth to slow from 3.4 percent in 2022 to 2.8 percent in 2023 before settling at 3.0 percent in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7 percent in 2022 to 1.3 percent in 2023. However, with the recent relaxations of COVID-19 restrictions in China and the unleashing of the pent-up demand, there is an expectation of faster-than-expected recovery in the global economy in a gradual manner. India's GDP is projected to grow around 6 percent this year, though the ongoing Russia & Ukraine war, financial bank crisis in US, and the elevating fuel & food prices may also cast some clouds in 2023 for India.

India's GDP growth might fall short of 6 percent as higher interest rates and global economic slowdown weigh on investment and exports. Agriculture is projected to grow by 3.5 percent in 2022-23 as compared to 3 percent in the previous year. The industry sector is projected to witness modest growth of 4.1 percent in F.Y. 2022-23 relative to 10.3 percent in F.Y. 2021-22. The services sector is set to rebound with y-o-y growth of 9.1 percent in F.Y. 2022-23 over 8.4 percent in 2021-22. Positives for India are the lowering of the unemployment rate to 6.4 percent, the lowest in the last 5 years, easing of inflation to -5.5 percent in 2023-2024 and lower energy import cost. Despite the fears of recession in some parts of the global economy, India remains a largely domestic economy, which provides strength to growth.

Exports during the second half of the calendar year 2022 faced a challenging environment due to a range of macroeconomic factors. Weak demand in the West caused by high inflation impacted industries viz. leather, textile, food & feed & pharma. Zero COVID-19 policy and trade tensions compounded the market instability in China stemming further from a weak Yuan currency and a downturn in the property market. This resulted in a drop in demand and subsequent price crash felt across multiple value chains in China.

The domestic demand decreased significantly due to high crude oil prices, high inflation, and weaker festival demand. This combined with intense competition from China, which had a weak demand, and higher costs from Europe, adversely impacted the competitiveness of your Company's products imported from Europe.

Your Company continued to support customers by leveraging its strong customer relationships thereby mitigating the difficult business environment and securing majority supply share of our key products. With continued focus on key industries, your Company was able to overcome most of the challenges with proper mitigation measures e.g., by improving cash flow through inventory control measures.

Uncertainties in the global market, volatility in raw material costs, oil and energy prices; and supply chain disruptions are some of the challenges, which continue to drive the dynamics of the Intermediates business.

### Impact of War on Leather Chemical Industries

The war in Ukraine has pushed up feedstock and energy costs for chemical producers. Increasing fuel costs are causing inflation, leading to high freight rates. In addition, safety concerns have disrupted land and air transport routes via Ukraine and Russia, which has made rerouting even more expensive.

As the Russia-Ukraine conflict is intensifying, the rift between the two countries has snowballed into causing a major economic turmoil across the globe. Several countries are directly or indirectly dependent on Russia and Ukraine for various commodities, which has severely impacted the price of food, energy, fertilizers, pharmaceuticals, etc. Russia and Ukraine are the biggest exporters of raw materials to markets around the world. Before war, Ukraine has a thriving synthetic chemical sector where thousands of novel compounds were being produced. Around 80% of all screening compounds used in the research and development of drugs were either manufactured in Ukraine or Russia.

Prices of natural gas and crude oil are skyrocketing in Europe, which is forcing chemical producers to increase selling prices. This is putting them at an increasing disadvantage compared to competitors in the US, Asia, and Middle East. The war in Ukraine has pushed up feedstock and energy costs for chemical producers. Increasing fuel costs are causing inflation, leading to high freight rates. In addition, safety concerns have disrupted land and air transport routes via Ukraine and Russia, which has made rerouting even more expensive. Even countries that do not have trade restrictions are struggling to import from the region due to disrupted maritime transport sector. Thus, international trade of raw materials is severely impacting industries across the globe, especially the chemical sector.

### Impact of Covid 19 on Leather Industries

Like in many parts of the globe, Indian economy too was hard hit due to Covid19. GDP in India contracted by 5.5 percent in fiscal 2021 on account of the pandemic and then began to stage recovery when it grew at 9.1 percent during FY22. According to National Statistical Organisation (NSO), the GDP during FY 23 is expected to end up at 7 percent and FY24 may post at 6 percent.

India is better placed compared to the global trends. According to IMF in its latest updated World Economic Outlook - January 2023, global growth is expected to slow from 3.4% in 2022 to 2.9% in 2023. The slowdown will be more pronounced for advanced economies. China and India is expected to account for 50% of global growth. Global headline inflation is expected to fall from 8.8% in 2022 to 4.3% in 2024. Core inflation, however, is more persistent and remains too elevated. That is the reason the US Fed and advanced economies are hawkish in their future outlook and the rise in interest rates are expected to continue till the inflation tames down to 2 percent which is a very hard task. With the onset of bank failures in US, there could be some review in its policy.

The government came up quickly on March 30, 2020, with its well-calibrated stimulus package of Rs.1.70 lakh crores to provide relief in kind (food grains and pulses) and cash under Pradhan Mantri Gareeb kalyan yozana (PMGKY). The relief scheme was last extended until December 2022.

As larger part of Covid19 relief measures, 100 percent government guaranteed loans were provided by banks and non-banks under Emergency Credit Line Guarantee Scheme (ECLGS) to business enterprises and MSMEs to meet additional working capital and term loan requirements to revive the activities that were either shut down or substantially slowed down. It benefited around 1.2 crores

MSMEs and other businesses till November end 2022. The ECLGS started with limit up to Rs. 3 trillion was later extended to Rs.5 trillion extending the scope of lending to hospitality, high contact activities and civil aviation sector. The scheme is valid till March 31, 2023.

Your Company also ensured that its manufacturing plants operate safely with appropriate pandemic approvals and hygiene measures together with monitoring of health of personnel working at the plants.

Your Company continues to maintain high plant reliability by adopting appropriate maintenance strategy & system management viz. risk-based maintenance, spare parts management, implementation of reliability tools like FMEA (Failure Mode & Effect Analysis), RCM (Reliability Centered Maintenance), continuous improvement on maintenance maturity & SAP Plant Maintenance at all the plants.

#### **HUMAN RESOURCES AND INDUSTRIAL RELATIONS:**

Your Company recognizes human resource a one of its prime resources. Your Company enjoyed excellent relationships with workers and staff during the year under review and considers them their most important assets. Your Company has been actively working with employees and proactively engaging & motivating them through the tough period of the COVID-19 pandemic. Your Company has continuously & transparently maintained communication with its employees on pandemic and business updates.

Your Company is committed to build and strengthen our human capital by defining policies that support their growth, goals and help them achieve excellence.

#### **SPECIALTY CHEMICALS MARKET - GROWTH, TRENDS, COVID-19 IMPACT, AND FORECASTS (2022 - 2027):**

The global specialty chemicals market was valued at USD 272.6 billion in 2022 and is projected to reach USD 364.8 billion by 2028, growing at a cagr 5.0% from 2023 to 2028. Specialty chemicals is a whole ecosystem consisting of multiple chemicals within the category.

Due to the expansion of different end- use industries, including automotive, electronics, construction, medical, and packaging, the demand for specialty chemicals has been rising recently. One of the biggest consumers of specialty chemicals is the automotive industry. Specialty chemicals are used in the manufacturing of a few automobile parts, including tires, coatings, and adhesives in order to enhance their performance and durability. The demand for specialty chemicals is expected to grow further as these sectors develop and innovate, presenting potential for producers in the specialty chemicals market.

The regulatory framework in which the specialty chemicals industry operates frequently puts strict rules on the companies. To protect workers, customers and the environment, these rules are implemented by government organizations and environmental authorities. Although these laws are essential for safeguarding the public's health and reducing their negative effects on the environment, they can be difficult for the companies to comply with. To satisfy the required standards, they must spend a lot of money on testing, research and development and documentation.

Specialty chemicals that provide eco-friendly and sustainable solutions now have a lot of opportunities because of rising environmental concerns and standards around sustainability. The need for specialty chemicals that support these initiatives is rising as the companies work to minimize their environmental impact and implement more eco-friendly practices. These specialty chemicals are essential for lowering emissions, increasing energy effectiveness, and promoting sustainability in a variety of industries, including consumer goods, construction, and the automobile industry.

### **Growing Demand**

The global leather chemicals market size expected to reach USD 15 billion by 2030, growing at a CAGR of 6.6 % during the forecast period (2022-2030).

### **Opportunities**

India's specialty chemicals companies are expanding their capacities to cater to rising demand from domestic and overseas. With global companies seeking to de-risk their supply chains, which are dependent on China, the chemical sector in India has the opportunity for a significant growth.

### **Policy Support**

In the Union Budget 2023-24, the central government allocated US\$20.93 million to the Department of Chemicals and Petrochemicals. This allocation underscores the government's commitment to support and further develop the chemical sector.

Furthermore, the Government of India is considering launching a production-linked incentive (PLI) scheme for the chemical and petrochemical industry to boost domestic manufacturing and exports. This scheme is designed to provide companies with incentives based on the increase in sales from products manufactured within the country.

### **Market Size**

The Indian chemical industry is expected to reach US\$304 billion by 2025, registering a compound annual growth rate (CAGR) of 9.3 percent.

The chemical industry in India is valued at a substantial US\$220 billion and experts predict that it could reach an astonishing US\$1 trillion by 2040.

By 2025, the demand for chemicals in India is expected to grow by 9 percent per annum, and the chemical industry is anticipated to contribute US\$383 billion to India's GDP by 2030. This increase is expected due to the rise in demand in the end-user segments for specialty chemicals and petrochemicals segment.

According to Invest India, the market size of the chemical and petrochemical sector in India is US\$178 billion.

The Indian chemical industry covers around 80,000 commercial products, employees over two million people, and makes up 3.4 percent of the global chemical industry.

India holds a strong position in international trading of chemicals and ranks ninth in exports and sixth in imports at a global level (excluding pharmaceuticals). India accounts for 2.5 percent of the world's global chemical sales and exports to more than 175 countries worldwide. The major export destinations are the United States, China, and new destinations—Turkey, Russia, and Northeast Asia (China, Hongkong, Japan, Korea RP, Taiwan, Macao, and Mongolia).

## Government Initiatives

The Indian Government actively supports the chemical industry, prioritizing growth in R&D capacity, manufacturing under the Make in India or Atmanirbhar Abhiyan initiatives, and reductions in the basic customs duty on several products.

2034 vision for chemicals and production-linked incentive scheme: A 2034 vision for the chemicals and petrochemicals sector has been set up by the government to explore opportunities to improve domestic production, reduce imports, and attract investments in the sector. The government plans to implement a production-linked incentive system with 10-20 percent output incentives for the agrochemical sector to create an end-to-end manufacturing ecosystem through the growth of clusters.

The Production Linked Incentive (PLI) Scheme, approved on 12th May 2021, aims to enhance India's manufacturing capabilities and exports in Advance Chemistry Cell (ACC) and Battery Storage. It targets the establishment of 50 Giga Watt Hour (GWh) capacity manufacturing facilities over 5 years, incentivizing domestic and international players to set up competitive ACC battery units in India. Subsidies are provided based on applicable subsidy per KWh and percentage of value addition achieved on actual sales for manufacturers with production capacities ranging from 5 GWh to 20 GWh.

## Road Ahead

The Remission of Duties and Taxes on Export Products (RoDTEP) Scheme, which became effective January 1, 2021, replaced the Merchandise Exports from India Scheme (MEIS) with the sole aim of boosting exports. The scheme allows exporters to receive refunds on the embedded central taxes and state duties that were previously non-recoverable on input products.

Additional support, in terms of fiscal incentives, such as tax breaks and special incentives through PCPIRs or SEZs to encourage downstream units will enhance production and development of the industry. The dedicated integrated manufacturing hubs under Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIR) policy to attract an investment of Rs. 20 lakh crore (US\$ 276.46 billion) by 2035.

To bring about structural changes in the working of domestic chemical industry, future investments should not only focus on transportation of fuels such as petrol and diesel, but also on crude-to-chemicals complexes or refineries set up to cater to the production of chemicals.

## Specialty Chemical Segment

Challenges: Volatility in raw material prices

The specialty chemicals manufacturing process includes the use of various raw materials. Specialty chemicals often depend on specific raw materials, and any changes in their prices can have a major impact on manufacturing costs and profit margins. The cost of producing specialty chemicals can be directly impacted by changes in the price of these raw ingredients. If the prices of key raw materials increase significantly, it can result in higher production cost for plastic additive, rubber additives, adhesives and other specialty chemicals manufacturer. When the cost of raw materials used in specialty chemicals rises, manufacturers may face challenges in

maintaining competitive pricing. Specialty chemicals may be more expensive and less appealing to consumer if they are unable to bear the extra costs.

India's makers of specialty chemicals have benefited from a spurt in both domestic and global demand as customers sought to reduce their dependence on China.

India's share of the global specialty chemicals market is expected to double to \$64 billion by 2025.

Asia is expected to drive 70% of the incremental specialty chemicals demand till FY25, primarily fueled by disproportionate growth in China, and India, thereby laying an imperative for players to make bold moves.

The global specialty chemicals market was valued at USD 272.6 billion in 2022 and is projected to reach USD 364.8 billion by 2028, growing at a cagr 5.0% from 2023 to 2028. Specialty chemicals is a whole ecosystem consisting of multiple chemicals within the category.

The evolutionary nature of the Specialty Chemicals business has meant that the traditionally dominant regions of North America, Europe and Japan have made way for fast growth in emerging Asian, South America and Middle Eastern & African economies. Asia-Pacific, in fact, is estimated as the largest, also the fastest growing, global market for Specialty Chemicals.

This growth can be attributed to rapid industrialization, improved standards of living in several developing regions, discernible shift in the global chemical industry's center of gravity towards the Middle East due to the abundant availability of cheap petrochemical feed stocks and Asian markets offering cheap labor coupled with fast economic growth.

Specialty chemicals are synthetic products used as intermediates to manufacture various products ranging from pharmaceuticals to flavors and essences, and from agro chemicals to detergents. Unlike other chemical products, the specialty chemical segment has greater flexibility, small production volume and vast product categories.

Specialty chemicals are high-value added chemicals used to manufacture a wide range of products, including pharmaceuticals, fine chemicals, additives, advanced polymers, adhesives, sealants, paints, pigments and coatings.

The demand from end-user industries has improved the growth prospects of several specialty chemicals segments in Asia. Currently, the Indian specialty chemicals industry is still at a nascent stage and is expected to grow rapidly over next couple of years as it moves toward higher-quality products and applications, in both industrial and consumer segments.

The demand for environment friendly solutions and stringent emission control legislations has opened up new frontiers especially for the specialty chemical industry. The greater emphasis on energy efficiency and curbing greenhouse emissions has also contributed to demand for specialty chemical products, such as photovoltaic solar cells, electrode materials, insulating materials and chemicals.

The Indian chemical sector accounts for 13-14% of total exports and 8-9% of total imports of India. In terms of volume of production, it is the twelfth-largest in the world and the third-largest in Asia. Currently, the per capita consumption of products of the Indian chemical industry is one-tenth of the world average, which reflects the huge potential for further growth. The Indian advantage lies in the manufacturing of basic chemicals that are also known as commodity chemicals that account for about 57% of the total domestic chemical sector.

## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

POLSON LIMITED

Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of POLSON LIMITED (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Procedure Performed / Auditors Response
1	<p><b>Revenue Recognition</b>                      The Company is engaged in the business of Manufacturing of Leather Chemicals. The other income comprises of Rent Received, Interest on Deposits Etc. The incomes are recognized on timely basis &amp; only upon there is no uncertainty as to its measurability or collectability.</p>	<p>We have verified the process to identify the impact of the new revenue accounting standard. After reviewing the same we inform that there is no material impact of new revenue accounting standard and the Company can continue with its existing accounting practice.</p> <p>Performed confirmation procedures &amp; obtained the same.</p>
2	<p><b>Appropriateness of Current and Non-Current Classification</b></p>	<p>For the purpose of current &amp; non-current classification the Company has considered its normal operating cycle as 12 Months and the same is based on services provided, acquisition of assets or inventory, their realization in cash and cash equivalents. The classification is either done on basis of documentary evidence and if not then on the basis of managements best estimate of period in which asset would be realized or liability would be settled.</p>

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially

inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibilities for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the IndAS specified under Section 133 of the Act.
  - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
  - ii. The Company has no long term contracts as on March 31, 2023 for which there are material foreseeable losses and did not have any long-term derivative contracts as on March 31, 2023.
  - iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee ,security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"),with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Board of Directors of the Company have not proposed any dividend for the year.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")**

We have audited the internal financial controls over financial reporting of POLSON LIMITED (the "Company") as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Polson Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
  - (a) (A) The Company has not maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
  - (B) The Company has maintained proper records showing full particulars of intangible assets.
  - (b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) According to information and explanations given to us, title deeds of immovable properties are held in the name of the Company. However, we were unable to verify the title deeds of immovable properties held by the Company during the course of our Audit, as the Company has not maintained the Fixed Asset Register.
  - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
  - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions(Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
  - (a) According to Information and explanation given to us, inventory has been physically verified by the management at regular intervals during the year. Few discrepancies were noticed on physical verification of inventory as compared to book records and the same has been properly dealt with in the books of accounts.
  - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.
- iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has during the year, not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clauses 3(iii) of the Order are not applicable.
- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees

and securities provided, as applicable.

- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/ or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.
- vii. In respect of statutory dues:
  - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to it with the appropriate authorities.  
 There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
  - (b) According to the information and explanations given to us, there are no dues of GST, Provident fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Value added tax, Cess or other statutory dues which have not been deposited by the Company on account of disputes, except for the following::

Nature of the statute	Nature of dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount Rupees
Income Tax Act, 1961	TDS	Traces Website	AY 2021-22 and Previous Years.	Rs 0.02 Cr
Income Tax Act, 1961	Income Tax	The Commissioner of Income-tax (Appeals)	AY 2016-2017	Rs. 1.43 Cr

- viii. There were no transactions relating to previously un recorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).
- ix.
  - (a) In our opinion, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year;
  - (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - (c) According to the information and explanation given to us, term loans were applied for the purpose for which the loans were obtained;
  - (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
  - (e) On an overall examination of the financial statements of the Company, the

Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

- (f) According to the information and explanation given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x) (a) of the Order is not applicable.  
(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x) (b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.  
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.  
(c) According to the information and explanation given to us, the company has not received whistle-blower complaints during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.  
(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. According to the information and explanations given to us, we are of the opinion that the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, accordingly the provisions of clause 3(xvi) of the Order are not applicable;
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company

is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act.

## Notes to the Standalone Financial Statements for the year ended 31 March 2023

**1 Corporate information**

Polson Limited ("The Company") was incorporated on 21st December, 1938 by Mr. Pestonji Edulji Dalal and others. The management of the Company taken over by Late Mr. Jagdish Kapadia, Former Chairman and Mr. Amol Kapadia, Managing Director in 1970. The Company is engaged in business of Manufacturing and selling of Synthetic Organic Tanning Substance for Domestic and Export market. The registered office is at Ambaghat Taluka Shahuwadi Kolhapur - 415101.

**2 Basis of preparation of financial statements**

These financial statements, for the year ended 31 March 2023 and 31 March 2022 are prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2023, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read with relevant rules issued thereunder. Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2023, together with the comparative period data as at and for the year ended 31 March 2022, as described in the summary of significant accounting policies. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

**3.01 Functional and presentation currency**

Items included in the financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

**3.02 First-time adoption of Ind AS**

Ind AS 101 requires that all Ind AS effective for the first Ind AS financial statements, be applied consistently and retrospectively for all fiscal years presented. However, this standard has some exception and exemption to this general requirement in specific cases. The application of relevant exception and exemption are:

**Exceptions to retrospective application of other Ind AS**

- (a) **Estimates:** An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is an objective evidence that those estimates were in error.
- (b) **Ind AS 109-Financial Instruments (Derecognition of previously recognised financial assets / financial liabilities):** An entity shall apply the derecognition requirements in Ind AS 109 in financial instruments prospectively for transactions occurring on or after the date of transition. The Company has applied the derecognition requirements prospectively.
- (c) **Ind AS 109-Financial Instruments (Classification and measurement financial assets ):** Classification and measurement shall be made on the basis of facts and circumstances that exist at the date of transition to Ind AS. The Company has evaluated the facts and circumstances existing on the date of transition to Ind AS for the purpose of classification and measurement of financial assets and accordingly has classified and measured the financial assets on the date of transition.

**Exemptions from retrospective application of Ind AS**

- (a) **Ind AS 40 Investment Property :** If there is no change in the functional currency an entity may elect to continue with the carrying value for all of its investment property as recognised in its Indian GAAP financial statements as deemed cost at the date of transition.
- (b) **Ind AS 17 Leases:** An entity shall determine based on facts and circumstances existing at the date of transition to Ind AS whether an arrangement contains a Lease and when a lease includes both land and building elements, an entity shall assess the operating lease. The Company has used this exemption and assessed all arrangements based on conditions existing as at the date of transition.
- (c) **Ind AS 109-Financial Instruments:** Ind AS 109 permits an entity to designate a financial liabilities and financial assets (meeting certain criteria ) at fair value through profit or loss. A financial liability and financial asset shall be designated at fair value through profit or loss, on the basis of facts and circumstances that exist at the date of transition.

**3.03 Use of estimates**

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements are:

- Valuation of financial instruments
- Valuation of derivative financial instruments
- Useful life of property, plant and equipment
- Useful life of investment property
- Provisions
- Recoverability of trade receivables

## Notes to the Standalone Financial Statements for the year ended 31 March 2023

## Summary of significant accounting policies

**3.04 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**3.05 Fair value measurement**

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes. Disclosures for valuation methods, significant estimates and assumptions.

Financial instruments (including those carried at amortised cost).

**3.06 Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

**Revenue from sale of goods**

Revenue from export sales is recognised when delivery of goods is physically given to Customs authorities. Revenue from domestic sales is recognised when goods are delivered to the customer and the title of goods passes to the customers.

**Interest and dividend income**

The interest and dividends are recognised only when no uncertainty as to measurability or collectability exists. Interest on fixed deposits is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

**3.07 Inventories:**

- i) Cost of inventories includes cost of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary.

**3.08 Foreign currency transactions and translation**

- i) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated in functional currency at closing rates of exchange at the reporting date.
- ii) Exchange differences arising on settlement or translation of monetary items recognised in statement of profit and loss.
- iii) The Company is primarily engaged in business of imports and exports. It has availed foreign currency denominated credit facilities for the purpose of its export and import business. As the Company enters into business transactions based on the prevailing exchange rates, the gain/(loss) on this account is considered to be an integral part of the operations of the Company in accordance with industry practice and to avoid distortion of operating performance.

## Notes to the Standalone Financial Statements for the year ended 31 March 2023

**3.09 Taxes****Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax**

Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**3.10 a) Property, plant and equipment**

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

**Subsequent Cost**

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised and charged to the statement of Profit and Loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss.

**b) Intangible assets**

Intangible assets are stated at cost less accumulated amortisation and impairment loss. The system software which is expected to provide future enduring benefits is capitalised. The capitalised cost includes license fees and cost of implementation/system integration.

**Depreciation and amortisation**

The depreciation on tangible assets except windmill is calculated on SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 as follows:

Asset class	Useful life as per
Plant and machinery:	15 years
Office equipment	5 years
Computers	3 years
Vehicles	8 years
Furniture and fixtures	10 years
Electrical installation	10 years
Office premises	60 years
Residential premises	60 years
Factory Building	30 years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**Derecognition of assets**

An item of property plant & equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognised.

## Notes to the Standalone Financial Statements for the year ended 31 March 2023

**3.11 Investment property**

Property that is held for long term rental yield or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment properties measured initially at cost including related transitions cost and where applicable borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is incurred the carrying amount of replaced part is derecognised.

Investment properties other than land are depreciated using SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 i.e. 60 years for office premises. Investment properties include:

(i) Office premises.

**3.12 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**3.13 Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in books of account but its existence is disclosed in financial statements.

**3.14 Impairment of non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**3.15 Biological assets**

The biological assets of the Group comprise Eucalyptus Plantations, Other Plantation in Progress and Live Stock.

As the fair value could not be reliably measured, Biological asset are measured at its cost less any accumulated depreciation and any accumulated impairment losses. Once the fair value of such a biological asset becomes reliably measurable, Company will measure it at its fair value less costs to sell

**3.16 Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**3.17 Financial instruments****Initial recognition**

The company recognise the financial asset and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of financial asset and financial liabilities, that are not at fair value through profit and loss, are added to the fair value on the initial recognition.

**Subsequent measurement****(A) Non derivative financial instruments****(i) Financial Assets at amortised cost**

A financial assets is measured at the amortised cost if both the following conditions are met :

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

## Notes to the Standalone Financial Statements for the year ended 31 March 2023

**(ii) Financial Assets at Fair Value through Profit or Loss/Other comprehensive income**

Instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

**(iii) Financial liabilities**

The measurement of financial liabilities depends on their classification, as described below:

**(a) Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. However, the Company has borrowings at floating rates. Considering the impact of restatement of Effective interest rate, transaction cost is being amortised over the tenure of loan and borrowing.

**(b) Trade & other payables**

After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**(B) Derivative financial instruments**

The company holds derivatives financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. Company has taken all the forward contract from the bank.

**The company have derivative financial assets/financial liabilities which are not designated as hedges;**

Derivatives not designated are initially recognised at the fair value and attributable transaction cost are recognised in statement of profit and loss, when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit and loss. Asset/Liabilities in this category are presented as current asset/current liabilities.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

**3.18 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management

**3.19 Employee Benefits****i) Defined contribution plans (Provident Fund)**

In accordance with Indian Law, eligible employees receive benefits from Provident Fund, which is defined contribution plan. Both the employee and employer make monthly contributions to the plan, which is administrated by the Government authorities, each equal to the specific percentage of employee's basic salary. The Company has no further obligation under the plan beyond its monthly contributions. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

**ii) Defined benefit plans (Gratuity)**

In accordance with applicable Indian Law, the Company provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lumpsum payment to vested employees, at retirement or termination of employment, and amount based on respective last drawn salary and the years of employment with the Company. The Company's net obligation in respect of the Gratuity Plan is calculated by estimating the amount of future benefits that the employees have earned in return of their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service cost and the fair value of plan assets are deducted. The discount rate is yield at reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligation. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognised asset is limited to the total of any unrecognised past service cost and the present value of the economic benefits available in the form of any future refunds from the plan or reduction in future contribution to the plan.

The Company recognises all Remeasurement of net defined benefit liability/asset directly in other comprehensive income and presented within equity.

**iii) Short term benefits**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as a related service provided. A liability is recognised for the amount expected to be paid under short term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**3.20 Lease**

Operating lease:

Lease of assets under which all the risk and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments / revenue under operating leases are recognised as an expense / income on accrual basis in accordance with the respective lease agreements.

**3.21 Earnings per share**

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

There have been no transfers among Level 1, Level 2 and Level 3 during the period.

The management assessed that cash and cash equivalents, Trade receivable and other financial asset, trade payables and other financial liabilities approximate their carrying amount largely due to short term maturity of these instruments.

**39 Financial risk management objectives and policies**

The risk management policies of the Company are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Management has overall responsibility for the establishment and oversight of the Company's risk management framework. In performing its operating, investing and financing activities, the Company is exposed to the Credit risk, Liquidity risk and Market risk.

**Carrying amount of financial assets and liabilities:**

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

Particulars	<i>(Rs. In Lakhs)</i>	
	As at 31 March 23 (Rs.)	As at 31 March 22 (Rs.)

**Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices.

Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk.

Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments.

**Credit risk on financial assets**

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner consist principally of cash balances with banks, cash equivalents and receivables, and other financial assets. The maximum exposure to credit risk is: the total of the fair value of the financial instruments and the full amount of any loan payable commitment at the end of the reporting year. Credit risk on cash balances with banks is limited because the counterparties are entities with acceptable credit ratings. Credit risk on other financial assets is limited because the other parties are entities with acceptable credit ratings.

As disclosed in Note 10 (b), cash and cash equivalents balances generally represent short term deposits with a less than 180-day maturity.

As part of the process of setting customer credit limits, different credit terms are used. The average credit period generally granted to trade receivable customers is about 90-360 days. But some customers take a longer period to settle the amounts.

**Exposure to credit risk**

Financial asset for which loss allowance is measured using expected credit loss model

Particulars	<i>(Rs. In Lakhs)</i>	
	As at 31 March 23 (Rs.)	As at 31 March 22 (Rs.)
<b>Financial assets</b>		
Non current investment	115.11	114.67

90 to 180 days	15.30	10.65
Over 180 days	-	13.23
	1,210	1,353

In the opinion of management, trade receivable, financial assets, cash and cash equivalent, balance with bank, loans and other financial assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet.

The Company has not recognised any loss allowance as the Company expect that there is no credit loss on trade receivables.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

**Foreign currency risk**

The Company operates internationally and the major portion of business is transacted in USD. The Company has Sales, Purchase, Borrowing (etc.) in foreign currency. Consequently, the Company is exposed to foreign exchange risk.

Foreign exchange exposure is partially balanced by purchasing in goods, commodities and services in the respective currencies.

The company evaluate exchange rate exposure arising from foreign currency transactions and the company follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

Foreign currency exposures not specifically covered by forward exchange contracts as at year end are as follows:

Currency	As at 31 March 2023		As at 31 March 2022

- Other Loans	252.14	252.14

**Interest rate sensitivity**

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected, after the excluding the credit exposure for which interest rate swap has been taken and hence the interest rate is fixed. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at	As at
	31 March 23 (Rs. In Lakhs)	31 March 22 (Rs. In Lakhs)
Increase in 100 bps points		
Effect on profit before tax	(14.95)	(18.58)
Decrease in 100 bps points		
Effect on profit before tax	14.95	18.58

**Liquidity risk**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company maximum exposure to credit risk for the components of the balance sheet at 31 March 2023 and 31 March 2022 is the carrying amounts. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value. The following table analysis financial liabilities by remaining contractual maturities:

Particulars	On demand (Rs.)	Less than 3 months				Total (Rs.)
		Less than 3 months (Rs.)	3 to 12 months (Rs.)	1 to 5 years (Rs.)	> 5 years (Rs.)

## 40 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars	As at 31 March 22 (Rs. In Lakhs)	As at 31 March 22 (Rs. In Lakhs)

<b>Gearing ratio (%)</b>	<b>(a/b)*100</b>	<b>38.31</b>

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2023 and 31 March 2022.
