**: NOTES:**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 02/2021 dated January 13, 2021 read together with Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming Annual General Meeting (“the meeting” / “AGM”) will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Since the General Meeting will be held through VC or OAVM in accordance with the Circulars, the route map is not annexed to this Notice.
3. The Register of Members and Share Transfer Books of the Company will remain closed from Friday, 24th September, 2021 to Thursday, 30<sup>th</sup> September, 2021.
4. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
5. Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing body's resolution/authorization, etc., authorizing their representative to attend the e-AGM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the scrutinizer by email through its registered email address to [compliance@polsonltd.com](mailto:compliance@polsonltd.com) with a copy marked to [support@purvashare.com](mailto:support@purvashare.com).
6. The facility of joining the e-AGM through VC/OAVM will be opened 15 minutes before and will be open up to 15 minutes after the scheduled start time of the commencement of the meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be available to at least 1,000 members on a first come first-served basis. This rule would however not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key and senior managerial personnel, Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. who are not allowed to attend the AGM without restriction on account of first come first served basis.
7. Institutional investors, who are members of the Company, are encouraged to attend and vote at the AGM of the Company.
8. In case of joint holder attending the Meeting, only such joint holder who is higher in order of names will be entitled to vote at the meeting.
9. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

10. To avoid fraudulent transactions, the identity/signature of the members holding shares in electronic/demat form is verified with the specimen signatures furnished by NSDL/CDSL and that of members holding shares in physical form is verified as per the records of the share transfer agent of the Company. Members are requested to keep the same updated.

11. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant dealing in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or Purva Shareregistry India Private Limited (RTA).

12. Share Transfer Permitted only in Demat: Pursuant to SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated 8th June, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, it is advised that transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1st, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, members holding shares in physical form are requested to take action to dematerialize the Equity Shares, promptly to avoid inconvenience in future.

13. The statutory registers including register of directors and key managerial personnel and their shareholding, the register of contracts or arrangements in which directors are interested maintained under the Companies Act, 2013 and all other documents referred to in the notice will be available for inspection in electronic mode. Members who wish to inspect the register are requested to write to the company by sending e-mail to [compliance@polsonltd.com](mailto:compliance@polsonltd.com).

14. In terms of sections 101 and 136 of the Act, read with the rules made thereunder, the listed companies may send the notice of AGM and the annual report, including financial statements, boards' report, etc. by electronic mode. Pursuant to the said provisions of the Act read with MCA Circulars, SEBI Circular dated 12 May 2020, Notice of 80<sup>th</sup> AGM along with the Annual Report for Financial year 2020-2021 is being sent only through electronic mode to those members whose email addresses are registered with the Company/depositories. Members may note that the physical copy of the Annual Report will not be sent. Members may note that the Notice and Annual Report for the Financial year 2020-2021 will also be available on the Company's website at <https://www.polsonltd.com/finance-investor-relation-annual-reports> and website of the stock exchanges i.e., BSE Limited at [www.bseindia.com](http://www.bseindia.com).

In compliance with provisions of Section 101 of the Companies Act, 2013 read with Rule 18 of the Companies (Management and Administration) Rules, 2014, Annual Report for Financial Year 2020- 2021 of your Company has been sent via Electronic Mode (E-mail) to the Members whose E-mail ID was made available to us by the Depositories Participants. We request the Members to register / update their e-mail address with their Depository Participant, in case they have not already registered/ updated the same.

15. Members are requested to join the Company in supporting the Green Initiative taken by Ministry of Corporate Affairs ("MCA") to effect electronic delivery of documents to the members at the E-mail addresses registered for the said purpose. Members are hereby requested to register their E-mail addresses with their Depository Participant or with Purva Shareregistry India Pvt. Ltd, Registrar and Share Transfer Agent (RTA) of the Company, for sending various Notices, Dividend intimation and other documents through Electronic Mode. Those members who have

changed their E-mail Addresses are requested to register their E-mail ID / New Addresses with RTA, in case the shares are held in physical form and with the Depository Participants where shares are held in Demat mode.

Members are requested to update their complete bank account details with their depositories where shares are held in dematerialized mode and with Registrar & Share Transfer Agent ("RTA") of the Company i.e. Purva Shareregistry India Private Limited by sending the request at [support@purvashare.com](mailto:support@purvashare.com) along with copy of the request letter signed by the Members mentioning the name, folio number, bank account details, self-attested copy of PAN card and cancelled cheque leaf.

16. As per the provisions of Section 72 of the Act, the facility for making nomination is available to the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13 to the Company or the Registrar and Transfer Agent of the Company. The said form can be downloaded from the Company's website <http://www.polsonltd.com>. A nomination may be cancelled, or varied by nominating any other person in place of the present nominee, by the holder of securities who has made the nomination, by giving a notice of such cancellation or variation.

17. The Notice for the Annual General Meeting and all the documents referred to in the accompanying notice will be available for inspection at the Registered Office of the Company on all working days between 10:00 a.m. to 12:00 noon up to the date of Annual General Meeting. The Notice will also be available on the Company's website at: <http://www.polsonltd.com>.

18. The Scrutinizer shall after the conclusion of voting at the general meeting, will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and shall make, not later than forty eight hours of the conclusion of the General Meeting, a consolidated scrutinizer's report of the total votes cast in favor or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.

19. The Results declared along with the report of the Scrutinizer shall be placed on the website of the Company <http://www.polsonltd.com>, notice board of the Company at the registered office as well as the corporate office and on the website of CDSL immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results shall also be immediately forwarded to the stock exchanges at which the shares of the Company are listed.

➤ **THE INSTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING ARE AS UNDER:**

- (i) The voting period begins on Monday, September 27, 2021 from 9.00 A.M. and ends on Wednesday, September 29, 2021 at 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Friday, September 24, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

(iv) Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

**ANNEXURE 'A': MANAGEMENT DISCUSSION AND ANALYSIS**

Global GDP (Gross Domestic Product) was - 4.4% in 2020, significantly lower as compared to the growth rate of 2.6% in 2019. International Monetary Fund has described this decline as the worst, since the Great Depression of the 1930s. Slow private consumption, travel restrictions, shutdown of economic activities owing to COVID-19 pandemic across the globe, lead to this decline. The production of chemicals (excluding pharmaceuticals) decreased worldwide during 2020, particularly in the Asian emerging markets, where a drop of 9.8% was observed.

In the financial year 2020-21, India's GDP is estimated to shrink by 7.7%. Among the worst hit areas by the pandemic, estimates indicate that industry will contract by 9.6% and services by 8.8%. India's manufacturing sector was estimated to grow at 2% in the financial year 2020-21. This is further fueled by Government focus on making India self-reliant through Aatmanirbhar Bharat

and incentivizing domestic manufacturing through schemes like PLI (Production linked incentive).

The Indian economy is witnessing a V-shaped recovery despite the challenges posed by the global pandemic. As per the economic survey, the economy is expected to grow at 10% on an average during the financial year 2021-2022.

The financial year 2020-21 was challenging on account of COVID-19 and its effects, which affected the demand globally and had an adverse impact on the demand in India, especially during the period between April and June 2020.

In Asia Pacific, China and India showed a very strong recovery and consequent to the same, the prices began an upward trend by October 2020 as the demand picked up and supplies became limited.

Your Company also ensured that its manufacturing plants operate safely with appropriate pandemic approvals and hygiene measures together with monitoring of health of personnel working at the plants.

Your Company continues to maintain high plant reliability by adopting appropriate maintenance strategy & system management viz. risk-based maintenance, spare parts management, implementation of reliability tools like FMEA (Failure Mode & Effect Analysis), RCM (Reliability Centered Maintenance), continuous improvement on maintenance maturity & SAP Plant Maintenance at all the plants.

**HUMAN RESOURCES AND INDUSTRIAL RELATIONS:**

Your Company has been actively working with employees and proactively engaging & motivating them through the tough period of the COVID-19 pandemic. Your Company has continuously & transparently maintained communication with its employees on pandemic and business updates.

**Specialty Chemicals Market Outlook - 2027**

The global specialty chemicals market was valued at \$711.0 billion in 2019, and is projected to reach \$953.9 billion by 2027, growing at a CAGR of 5.0% from 2020 to 2027.

Specialty chemicals account for 20% of the \$ four trillion chemicals industry globally, and India's market is predicted to increase at a CAGR of 12% to \$64 billion by CY25. According to the brokerage, a robust demand CAGR of 10-20 percent in the export/end-user industries will drive this rise.

Specialty chemicals are particular chemical products that help in providing variety of effects to various industries that they cater to such as textile, ink additives, construction, oil & gas, cosmetics, and food. Specialty chemicals can be single-chemical formulations or entities whose composition greatly influences the performance of the customers' product. These chemicals are used on the basis of their function and performance. Continuous R&D in this market has facilitated development of products with optimum and advanced features. This is one of the major factors that drives the growth of this market. With rapid industrialization, noticeable demand from Asian countries such as India and China have arisen. There has been rise in investments in construction and infrastructure development projects in Asia-Pacific. Therefore, Asia-Pacific is considered as a favorable destination for the specialty chemical manufacturers; thereby, boosting the market growth. Whereas, variations in raw material cost and stringent regulations by the government are estimated to hamper the growth of the global specialty chemicals market.

The key players operating in the global specialty chemicals market are BASF SE, Dow, Inc., Bayer AG, Evonik Industries AG, Lanxess AG, Solvay SA, Clariant AG, Huntsman International LLC, Albemarle Corporation, Nouryon, Sumitomo Chemical Company, and Ashland LLC. Other companies in accordance with specialty chemicals market are Henkel Ag & Co. KGAA, Merck & Co., Inc. Sasol Limited, Koninklijke DSM N.V., PPG Industries Inc., 3M, H.B. Fuller, and others.

The global Specialty chemicals market anticipated to grow at CAGR of 5.0% during the forecast period.

#### Growing Demand

The Domestic chemicals sector's small and medium enterprises are expected to showcase 18-23% revenue growth in FY22, owing to an improvement in domestic demand and higher realisation due to high prices of chemicals.

#### Opportunities

India's specialty chemicals companies are expanding their capacities to cater to rising demand from domestic and overseas. With global companies seeking to de-risk their supply chains, which are dependent on China, the chemical sector in India has the opportunity for a significant growth.

#### Policy Support

The government plans to introduce production-linked incentive (PLI) scheme to promote domestic manufacturing of agrochemicals. Under the Union Budget 2021-22, the government allocated Rs.233.14 crore (US\$32.2 million) to the Department of Chemicals and Petrochemicals.

#### Market Size

The Indian chemicals industry stood at US\$ 178 billion in 2019 and is expected to reach US\$ 304 billion by 2025 registering a CAGR of 9.3%. The demand for chemicals is expected to expand by 9% per annum by 2025. The chemical industry is expected to contribute US\$ 300 billion to India's GDP by 2025.

An investment of Rs. 8 lakh crore (US\$ 107.38 billion) is estimated in the Indian chemicals. The specialty chemicals constitute 22% of the total chemicals and petrochemicals market in India. The demand for specialty chemicals is expected to rise at a 12% CAGR in 2019-22. The

petrochemicals demand is expected to record a 7.5% CAGR between 2019 and 2023, with polymer demand increasing at 8%. The Indian agrochemicals market is expected to register an 8% CAGR to reach US\$ 3.7 billion by FY22 and US\$ 4.7 billion by FY25.

In April 2021, exports of organic and inorganic chemicals increased 68.54% YoY to reach US\$ 2,288.30 million.

### Government Initiatives

A 2034 vision for the chemicals and petrochemicals sector has been set up by the government to explore opportunities to improve domestic production, reduce imports and attract investments in the sector. The government plans to implement production-link incentive system with 10-20% output incentives for the agrochemical sector; to create an end-to-end manufacturing ecosystem through the growth of clusters.

100% FDI is allowed under the automatic route in the chemicals sector with few exceptions that include hazardous chemicals. Total FDI inflow in the chemicals (other than fertilisers) sector reached US\$ 18.06 billion between April 2000 and September 2020.

### Road Ahead

Despite the current pandemic situation, the Indian chemical industry has numerous opportunities considering the supply chain disruption in China and trade conflict among the US, Europe and China. Anti-pollution measures in China will also create opportunities for the Indian chemical industry in specific segments.

Additional support, in terms of fiscal incentives, such as tax breaks and special incentives through PCPIRs or SEZs to encourage downstream units will enhance production and development of the industry. The dedicated integrated manufacturing hubs under Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIR) policy to attract an investment of Rs. 20 lakh crore (US\$ 276.46 billion) by 2035.

To bring about structural changes in the working of domestic chemical industry, future investments should not only focus on transportation of fuels such as petrol and diesel, but also on crude-to-chemicals complexes or refineries set up to cater to the production of chemicals.

### Specialty Chemical Segment

Impact of COVID-19 pandemic on Specialty Chemicals market was moderate and the demand declined by about 1% y-o-y in 2020 compared to 2019. All major regions witnessed the negative growth around 2% in 2020, while Asia-Pacific withstand a slight growth of about 1%.

The evolutionary nature of the Specialty Chemicals business has meant that the traditionally dominant regions of North America, Europe and Japan have made way for fast growth in emerging Asian, South America and Middle Eastern & African economies. Asia-Pacific, in fact, is estimated as the largest, also the fastest growing, global market for Specialty Chemicals.

This growth can be attributed to rapid industrialization, improved standards of living in several developing regions, discernible shift in the global chemical industry's center of gravity towards the Middle East due to the abundant availability of cheap petrochemical feed stocks and Asian markets offering cheap labor coupled with fast economic growth.

Specialty chemicals are synthetic products used as intermediates to manufacture various products ranging from pharmaceuticals to flavors and essences, and from agro chemicals to detergents. Unlike other chemical products, the specialty chemical segment has greater flexibility, small production volume and vast product categories.

Specialty chemicals are high-value added chemicals used to manufacture a wide range of products, including pharmaceuticals, fine chemicals, additives, advanced polymers, adhesives, sealants, paints, pigments and coatings.

The demand from end-user industries has improved the growth prospects of several specialty chemicals segments in Asia. Currently, the Indian specialty chemicals industry is still at a nascent stage and is expected to grow rapidly over next couple of years as it moves toward higher-quality products and applications, in both industrial and consumer segments.

The demand for environment friendly solutions and stringent emission control legislations has opened up new frontiers especially for the specialty chemical industry. The greater emphasis on energy efficiency and curbing greenhouse emissions has also contributed to demand for specialty chemical products, such as photovoltaic solar cells, electrode materials, insulating materials and chemicals.

The Indian chemical sector accounts for 13-14% of total exports and 8-9% of total imports of India. In terms of volume of production, it is the twelfth-largest in the world and the third-largest in Asia. Currently, the per capita consumption of products of the Indian chemical industry is one-tenth of the world average, which reflects the huge potential for further growth. The Indian advantage lies in the manufacturing of basic chemicals that are also known as commodity chemicals that account for about 57% of the total domestic chemical sector.

## Opportunities

The Company uses Natural Raw Materials like Hirda, Tamarind Testa etc. in the manufacturing process. The residue of these raw materials is further used as FUEL for Boiler, thus reducing

the consumption of Furnace Oil. Also today the company is Asia's largest manufacturer and exporter of natural based vegetable tannin extracts and Eco-friendly leather chemicals.

#### Threats

The market for our product is positive. Over the years the company became a leading supplier of natural tannin materials and Eco-friendly leather chemicals of Indian origin to the international leather industry. Today the company has developed, established and maintained an untarnished track record of consistently meeting international quality standards.

#### Risks and Concerns

The Company has endeavored to optimize the use of energy resources and taken adequate steps to avoid wastage and use latest technology and equipment, wherever feasible, to reduce energy consumption.

#### Human Resource

Performance measurement is a fundamental principle of the management. The measurement of performance is important because it identifies current performance gaps between current and desired performance and provides indication of progress towards closing the gaps. The Human Resource Department has carefully selected key performance indicators and has taken necessary steps to improve performance of our workforce.

#### Internal Control System

##### Internal Control Systems And Procedures

The Company has in place internal control systems and procedures commensurate with the size and nature of its operations. Internal control processes, which consists of implementing and adopting appropriate management systems, are followed. These are aimed at giving the Audit Committee, reasonable assurance on the reliability of financial reporting, statutory and regulatory compliances, effectiveness and efficiency of the Company's operations. The internal control systems are reviewed periodically and revised to keep in tune with the challenging business environment. Internal audit focuses on control systems, optimum utilization of resources, prevention of frauds, adequacy of information system, security and control and compliance with risk management systems.

#### Cautionary Statement

Statements in the Management Discussion and Analysis describing the Company' objectives, projections, estimates, expectations may be "forward- looking statements" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's

operations include climatic conditions, economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

**INDEPENDENT AUDITOR'S REPORT**

To the Members of;

**POLSON LIMITED**

Report on the Audit of standalone financial statements

**Opinion**

We have audited the accompanying Standalone Financial Statements of Polson Limited ("the Company") which comprises the Balance Sheet as at March 31, 2021, the Statement of profit and loss and Statement of cash flows for the year then ended, and Notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit and its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key audit matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have

determined the matters described below to be key audit matters to be communicated in our report

Sr. No.	Key Audit Matters	Procedure Performed / Auditors Response
1	<p><b>Revenue Recognition</b></p> <p>The Company is engaged in the business of Manufacturing of Leather Chemicals. The other income comprises of Rent Received, Interest on Deposits Etc. The incomes are recognized on timely basis &amp; only upon there is no uncertainty as to its measurability or collectability.</p>	<p>We have verified the process to identify the impact of the new revenue accounting standard. After reviewing the same we inform that there is no material impact of new revenue accounting standard and the Company can continue with its existing accounting practice.</p> <p>Performed confirmation procedures &amp; obtained the same.</p>
2	<p><b>Appropriateness of Current and Non-Current Classification</b></p>	<p>For the purpose of current &amp; non-current classification the Company has considered its normal operating cycle as 12 Months and the same is based on services provided, acquisition of assets or inventory, their realization in cash and cash equivalents. The classification is either done on basis of documentary evidence and if not then on the basis of managements best estimate of period in which asset would be realized or liability would be settled.</p>

Information other than the standalone financial statements and Auditors' report thereon ("Other Information")

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

#### Other Matters

Further to the continuous spreading of COVID -19 across India, the Indian Government announced Lockdown again in March 2021 which was extended to May 2021 and further restrictions were in place in state of Maharashtra to contain the spread of the virus. This has resulted in restrictions on a physical visit to the client locations and the need for carrying out alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).

As a result of the above, certain audit procedures were carried out based on remote access of the data as provided by the management. We have been represented by the management that the data provided for our audit purposes is correct, complete, reliable, and are directly generated by the accounting system of the Company without any further manual modifications.

We bring to the attention of the users & stakeholders that the audit of the financial statements has been performed in the aforesaid conditions.

Our audit opinion is not modified in respect of the above.

## Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company. We are responsible for the direction, supervision and performance of the audit

of the standalone financial statements of the Company of which we are the independent auditors. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled 'Other Matters' in this audit report.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government in terms of Section 143(11) of the Companies Act, 2013 we give in 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit, we report that:
  - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors Report of even date]

The Annexure referred to in our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended 31 March 2021, we report that:

(i) In respect of its Fixed Assets:

a) The Company has not maintained proper records of fixed assets.

b) As explained to us, all the fixed assets have been physically verified by the management in a phased periodical manner, which in our opinion is reasonable, having regard to the size of the Company and nature of its assets. According to the information and explanation given to us, no material discrepancies were noticed on such physical verification.

c) According to information and explanations given to us, title deeds of immovable properties are held in the name of the Company. However, we were unable to verify the title deeds of immovable properties held by the Company during the course of our Audit, as the Company has not maintained the Fixed Asset Register.

(ii) In respect of its Inventories:

According to information and explanation given to us, the inventory has been physically verified by the management at regular intervals during the year. Few discrepancies were noticed on physical verification of inventory as compared to book records and the same has been properly dealt with in the books of accounts.

(iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, or other parties covered in the Register maintained under Section 189 of the Companies Act, 2013. Accordingly, this point is not applicable to the Company.

With exception to above there are few transactions with the parties as covered u/s. 189 of the Act to meet the temporary business exigencies, but the amount has been squared up at the end of financial year.

(iv) In our opinion and according to the information and explanations given to us, the Company has almost complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities given.

(v) According to the information and explanations given to us, the Company has not accepted any deposit from the public. Therefore, the provisions of Clause (v) of paragraph 3 of the CARO 2016 are not applicable to the Company.

(vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audits) Rules, 2014 as amended and prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have,

however, not made a detailed examination of the Cost Records with a view to determine whether they are accurate or complete.

(vii) In respect of statutory Dues:

a) According to the information and explanations given to us and on the basis of records of the Company, undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-Tax, Sales Tax, Service Tax, Goods and Service Tax, Customs Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues have been generally regularly deposited with the appropriate authorities;

b) According to the information and explanations and based on management representation given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2021 for a period of more than six months from the date of becoming payable.

c) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, goods and service tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute except as under:

Name of Statute	Nature of Dues	Amount (Rs.)	Period to which it relates	Forum where dispute is pending	View of Company
Income Tax Act, 1961	TDS	Rs. 2,46,069/-	AY 2021-22 and Previous years.	Traces Website	The Company is of the view that the said demand may or may not be payable as there might be errors occurred while filing TDS Returns. The Company is in the process of revising the old TDS returns and the demand which is required to be paid will be paid immediately after revision of the said returns.
Income Tax Act, 1961	Income Tax	Rs. 67,940/-	AY 2017-18.	As per income tax website.	The Company is of the view that the said demand are under the review and the same will be paid in due course of time if no error or any

					rectification is observed.
--	--	--	--	--	----------------------------

(viii) According to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to the banks or to debenture holders.

(ix) According to the information and explanations given by the management, the Company has not raised any money by way of initial public offer/further public offer/debt instruments and term loans hence, reporting under clause 3 (ix) is not applicable to the Company.

(x) To the best of our knowledge and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.

(xi) According to the information and explanations given by the management, the managerial remuneration has been paid /provided in accordance with the requisite approvals mandated by the provisions of Section 197, read with Schedule V to the Companies Act, 2013.

(xii) In our opinion, the Company is not a nidhi company. Therefore, the provisions of clause 3 of the order are not applicable to the Company.

(xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.

(xiv) During the year the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures and hence reporting under clause (xiv) of the Order is not applicable to the Company.

(xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding, subsidiary or associate company or persons connected with them and hence provisions of Section 192 of the Companies Act, 2013 are not applicable.

(xvi) In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not applicable to the Company.

**ANNEXURE "B" TO AUDITORS' REPORT**

[Referred to in Clause (f) in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors Report of even date]

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of POLSON LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that;

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Notes to the Standalone Financial Statements for the year ended 31 March 2021

**1 Corporate information**

Polson Limited ("The Company") was incorporated on 21st December, 1938 by Mr. Pestonji Edulji Dalal and others. The management of the Company taken over by Late Mr. Jagdish Kapadia, Former Chairman and Mr. Amol Kapadia, Managing Director in 1970. The Company is engaged in business of Manufacturing and selling of Synthetic Organic Tanning Substance for Domestic and Export market. The registered office is at Ambaghat Taluka Shahuwadi Kolhapur - 415101.

**2 Basis of preparation of financial statements**

These financial statements, for the year ended 31 March 2021 and 31 March 2020 are prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2021, the Company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read with relevant rules issued thereunder.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2021, together with the comparative period data as at and for the year ended 31 March 2020, as described in the summary of significant accounting policies. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

**3.01 Functional and presentation currency**

Items included in the financial statements of Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). Indian rupee is the functional currency of the Company.

**3.02 First-time adoption of Ind AS**

Ind AS 101 requires that all Ind AS effective for the first Ind AS financial statements, be applied consistently and retrospectively for all fiscal years presented. However, this standard has some exception and exemption to this general requirement in specific cases. The application of relevant exception and exemption are:

**Exceptions to retrospective application of other Ind AS**

- (a) **Estimates:** An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is an objective evidence that those estimates were in error.
- (b) **Ind AS 109-Financial Instruments (Derecognition of previously recognised financial assets / financial liabilities):** An entity shall apply the derecognition requirements in Ind AS 109 in financial instruments prospectively for transactions occurring on or after the date of transition. The Company has applied the de-recognition requirements prospectively.
- (c) **Ind AS 109-Financial Instruments (Classification and measurement financial assets):** Classification and measurement shall be made on the basis of facts and circumstances that exist at the date of transition to Ind AS. The Company has evaluated the facts and circumstances existing on the date of transition to Ind AS for the purpose of classification and measurement of financial assets and accordingly has classified and measured the financial assets on the date of transition.

**Exemptions from retrospective application of Ind AS**

- (a) **Ind AS 40 Investment Property :** If there is no change in the functional currency an entity may elect to continue with the carrying value for all of its investment property as recognised in its Indian GAAP financial statements as deemed cost at the date of transition.
- (b) **Ind AS 17 Leases:** An entity shall determine based on facts and circumstances existing at the date of transition to Ind AS whether an arrangement contains a Lease and when a lease includes both land and building elements, an entity shall assess the operating lease. The Company has used this exemption and assessed all arrangements based on conditions existing as at the date of transition.
- (c) **Ind AS 109-Financial Instruments:** Ind AS 109 permits an entity to designate a financial liabilities and financial assets (meeting certain criteria) at fair value through profit or loss. A financial liability and financial asset shall be designated at fair value through profit or loss, on the basis of facts and circumstances that exist at the date of transition.

**3.03 Use of estimates**

The preparation of financial statements in conformity of Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and contingent liabilities at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in future periods which are affected.

Application of accounting policies that require critical accounting estimates and assumption having the most significant effect on the amounts recognised in the financial statements are:

- Valuation of financial instruments
- Valuation of derivative financial instruments
- Useful life of property, plant and equipment
- Useful life of investment property Provisions
- Recoverability of trade receivables

Notes to the Standalone Financial Statements for the year ended 31 March 2021

Summary of significant accounting policies

**3.04 Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**3.05 Fair value measurement**

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Disclosures for valuation methods, significant estimates and assumptions.

Financial instruments (including those carried at amortised cost).

**3.06 Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

**Revenue from sale of goods**

Revenue from export sales is recognised when delivery of goods is physically given to Customs authorities. Revenue from domestic sales is recognised when goods are delivered to the customer and the title of goods passes to the customers.

**Interest and dividend income**

The interest and dividends are recognised only when no uncertainty as to measurability or collectability exists. Interest on fixed deposits is recognised on time proportion basis taking into account the amount outstanding and the rate applicable.

**3.07 Inventories:**

- i) Cost of inventories includes cost of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Inventories are valued at the lower of cost (on FIFO basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary.

**3.08 Foreign currency transactions and translation**

- i) Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated in functional currency at closing rates of exchange at the reporting date.
- ii) Exchange differences arising on settlement or translation of monetary items recognised in statement of profit and loss.
- iii) The Company is primarily engaged in business of imports and exports. It has availed foreign currency denominated credit facilities for the purpose of its export and import business. As the Company enters into business transactions based on the prevailing exchange rates, the gain/(loss) on this account is considered to be an integral part of the operations of the Company in accordance with industry practice and to avoid distortion of operating performance.

## Notes to the Standalone Financial Statements for the year ended 31 March 2021

**3.09 Taxes****Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The Company determines the tax as per the provisions of Income Tax Act 1961 and other rules specified thereunder. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

**Deferred tax**

Deferred tax is provided in full using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

**3.10 a) Property, plant and equipment**

Property, plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Property, plant and equipment and capital work in progress cost include expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalized as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

**Subsequent Cost**

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognised and charged to the statement of Profit and Loss. The costs of the day-to-day servicing of property, plant and equipment are recognised in the Statement of Profit and Loss.

**b) Intangible assets**

Intangible assets are stated at cost less accumulated amortisation and impairment loss. The system software which is expected to provide future enduring benefits is capitalised. The capitalised cost includes license fees and cost of implementation/system integration.

**Depreciation and amortisation**

The depreciation on tangible assets except windmill is calculated on SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 as follows:

Asset class	Useful life as per
Plant and machinery:	15 years
Office equipment	5 years
Computers	3 years
Vehicles	8 years
Furniture and fixtures	10 years
Electrical installation	10 years
Office premises	60 years
Residential premises	60 years
Factory Building	30 years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

**De-recognition of assets**

An item of property plant & equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset is included in the income statement when the asset is derecognised.

## Notes to the Standalone Financial Statements for the year ended 31 March 2021

**3.11 Investment property**

Property that is held for long term rental yield or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment properties measured initially at cost including related transitions cost and where applicable borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is incurred the carrying amount of replaced part is de-recognised.

Investment properties other than land are depreciated using SLM method over the estimated useful life of assets prescribed by the Schedule II to the Companies Act 2013 i.e. 60 years for office premises. Investment properties include:

(i) Office premises.

**3.12 Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

**3.13 Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in books of account but its existence is disclosed in financial statements.

**3.14 Impairment of non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset. Unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

**3.15 Biological assets**

The biological assets of the Group comprise Eucalyptus Plantations, Other Plantation in Progress and Live Stock.

As the fair value could not be reliably measured, Biological asset are measured at its cost less any accumulated depreciation and any accumulated impairment losses. Once the fair value of such a biological asset becomes reliably measurable, Company will measure it at its fair value less costs to sell

**3.16 Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**3.17 Financial instruments****Initial recognition**

The company recognise the financial asset and financial liabilities when it becomes a party to the contractual provisions of the instruments. All the financial assets and financial liabilities are recognised at fair value on initial recognition, except for trade receivable which are initially recognised at transaction price. Transaction cost that are directly attributable to the acquisition of financial asset and financial liabilities that are not at fair value through profit and loss are added to the fair value on the initial recognition.

**Subsequent measurement****(A) Non derivative financial instruments****(i) Financial Assets at amortised cost**

A financial assets is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except Investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. Trade receivables do not carry any interest and are stated at their nominal value as reduced by impairment amount.

## Notes to the Standalone Financial Statements for the year ended 31 March 2021

**(ii) Financial Assets at Fair Value through Profit or Loss/Other comprehensive income**

Instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

If the company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

**(iii) Financial liabilities**

The measurement of financial liabilities depends on their classification, as described below:

**(a) Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EIR) method. However, the Company has borrowings at floating rates. Considering the impact of restatement of Effective interest rate, transaction cost is being amortised over the tenure of loan and borrowing.

**(b) Trade & other payables**

After initial recognition, trade and other payables maturing within one year from the Balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**(B) Derivative financial instruments**

The company holds derivatives financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. Company has taken all the forward contract from the bank.

**The company have derivative financial assets/financial liabilities which are not designated as hedges;**

Derivatives not designated are initially recognised at the fair value and attributable transaction cost are recognised in statement of profit and loss, when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit and loss. Asset/Liabilities in this category are presented as current asset/current liabilities.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

**3.18 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, as they are considered an integral part of the Company's cash management.

**3.19 Employee Benefits****i) Defined contribution plans (Provident Fund)**

In accordance with Indian Law, eligible employees receive benefits from Provident Fund, which is defined contribution plan. Both the employee and employer make monthly contributions to the plan, which is administrated by the Government authorities, each equal to the specific percentage of employee's basic salary. The Company has no further obligation under the plan beyond its monthly contributions. Obligation for contributions to the plan is recognised as an employee benefit expense in the Statement of Profit and Loss when incurred.

**ii) Defined benefit plans (Gratuity)**

In accordance with applicable Indian Law, the Company provides for gratuity, a defined benefit retirement plan (the Gratuity Plan) covering eligible employees. The Gratuity Plan provides a lumpsum payment to vested employees, at retirement or termination of employment, and amount based on respective last drawn salary and the years of employment with the Company. The Company's net obligation in respect of the Gratuity Plan is calculated by estimating the amount of future benefits that the employees have earned in return of their service in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognised past service cost and the fair value of plan assets are deducted. The discount rate is yield at reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligation. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognised asset is limited to the total of any unrecognised past service cost and the present value of the economic benefits available in the form of any future refunds from the plan or reduction in future contribution to the plan.

The Company recognises all Remeasurement of net defined benefit liability/asset directly in other comprehensive income and presented within equity.

**iii) Short term benefits**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as a related service provided. A liability is recognised for the amount expected to be paid under short term cash bonus or profit sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**3.20 Lease**

Operating lease:

Lease of assets under which all the risk and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments / revenue under operating leases are recognised as an expense / income on accrual basis in accordance with the respective lease agreements.

**3.21 Earnings per share**

Basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year, by the weighted average number of equity shares outstanding during the year.

## 38 Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis as of 31 March 2021:

Particulars	As at 31 March 2021 (Rs.)	Fair value measurement at end of the reporting year using

**Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and derivative financial instruments.

**Credit risk on financial assets**

Financial assets that are potentially subject to concentrations of credit risk and failures by counterparties to discharge their obligations in full or in a timely manner consist principally of cash balances with banks, cash equivalents and receivables, and other financial assets. The maximum exposure to credit risk is: the total of the fair value of the financial instruments and the full amount of any loan payable commitment at the end of the reporting year. Credit risk on cash balances with banks is limited because the counterparties are entities with acceptable credit ratings. Credit risk on other financial assets is limited because the other parties are entities with acceptable credit ratings.

As disclosed in Note 10 (b), cash and cash equivalents balances generally represent short term deposits with a less than 180-day maturity.

As part of the process of setting customer credit limits, different credit terms are used. The average credit period generally granted to trade receivable customers is about 90-360 days. But some customers take a longer period to settle the amounts.

Decrease in 100 bps points		
Effect on profit before tax	25,41,128	37,62,779

**Liquidity risk**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company maximum exposure to credit risk for the components of the balance sheet at 31 March 2021 and 31 March 2020 is the carrying amounts. The liquidity risk is managed on the basis of expected maturity dates of the financial liabilities. The average credit period taken to settle trade payables is about 90 days. The other payables are with short-term durations. The carrying amounts are assumed to be a reasonable approximation of fair value. The following table analysis financial liabilities by remaining contractual maturities:

	-	6,05,44,068	12,81,12,528	40,59,49,878	-	59,46,06,473

At present, the Company does expects to repay all liabilities at their contractual maturity. In order to meet such cash commitments, the operating activity is expected to generate sufficient cash inflows.

**40 Capital management**

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep optimum gearing ratio. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars	As at 31 March 21 (Rs.)	As at 31 March 20 (Rs.)
